## Camp Adair

*I remember the adrenaline rush of zooming at the speed of lightning down the Super Fox.*

*I remember waking up to a large bang by Shaylin leaping of the top bunk at 12:30 at night.*

*I remember the hair on my legs were static as I stood well above 15 metres high on the Pamper Pole.*

*I remember fatefully springing backwards of the High Beam with extreme fear.*

*I remember the struggle of completing the confidence course, while Alex and the parents threw bucket loads of murky, thick mud at us making it even harder to complete.*

*I remember the enjoyment of crunching the first Nacho on my plate, filled with melted cheese and juicy mince.*

*I remember feeling overwhelmed by the delicious, creamy milo, after a crispy, rainy day full of challenging activities.*

*I remember feeling the juicy, soggy mud explode through my toes with a squirt like a firework.*

*I remember losing control as I uncontrollably slithered down the mudslide and feeling the disgusting relief of the thick, brown juicy mud repaint my skin.*
