Our vision: Waipipi Students are successful learners, who communicate confidently and interact positively with others.

The winner of 2018 Rotary Waiuku School's Speech Contest was

Drew Burrett. (Y8)

The standard of speeches was high this year. The topic selection was extensive and students had really thought about the content of their speeches. All students were articulate and confident when presenting their speech. Drew spoke beautifully and her topic was very current. Well done Drew- a very impressive effort!

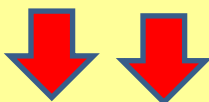

Tabby Thomson ^{Year 1} What Tabby thinks teachers do in the holidays.

I think a teacher would go to a shop to get some things for her class.
I also think a teacher will watch the telly all day or get the class a book.
So what do you think?
Some teachers can be very busy in the holidays. Also they can go to the beach if they want or do stuff for the class.
Teachers are very busy people. But when they bring the work the class will do it.
Then after the holidays are done the teacher is back to teaching.
Then in the next holidays they might do the same.
