Our vision: Waipipi Students are successful learners, who communicate confidently and interact positively with others.

Principal's Message:

This is our last newsletter for 2018. The school dance production (last Thursday) was a magnificent way to end the school year. The students were absolutely amazing and we are so proud of what they accomplished! Thanks to everyone who has contributed to Waipipi School this year. An extra thank you to the parents who have given up their time be part of the PTA and board- your contributions are very valued!

Thanks to the students who have done their best this year, and who have expressed and conducted themselves confidently and positively. You remind us each day why we became teachers and give us hope for the future.

Last but not least- thanks so much to all the Waipipi Staff. Your dedication, leadership, hard work and collegiality make Waipipi a fabulous place to be.

We wish everyone a safe, restful and fun festive season.

School starts back on Thursday 31st January. Class lists will be displayed around the school in the morning prior to school starting.

There is a chance the admin block will be blocked off late January/early February. (The dates are to be confirmed) The office block is being upgraded internally, which may take several weeks in Term One. Pam will run her office from the school library during this time.
