Our vision: Waipipi Students are successful learners, who communicate confidently and interact positively with others.

Waipipi School Playground Behaviour Cards- a quick overview

Gold Cards-

Playground System

Students who receive a gold card for good behaviour/actions go into a school assembly draw to win a prize.

Two winners are drawn at each school assembly.

The teachers give gold cards to students showing our school values: Excellence, Respect, Confidence, Sensitivity, Tolerance and Honesty and the Key Competencies: Managing Self, Participating and Contributing, Thinking and Relating to Others.

Time Out

Playground and Bus System

Students who receive a Time Out card spend a set time on the school's administration deck to consider their actions and to set goals to improve. Time Out cards are given where students have not followed the school's values and key competencies. Some examples include: swearing, hitting, throwing sand, bullying, not listening to a staff member, misbehaviour on the school bus (standing up, moving around, verbal and physical inappropriate behaviour)
