Room 4 and 8's ROCKET CHALLENGE

We'd like to extend a **BIG** thanks to **Steve Maynard**, our **Wonder Project Ambassador**. Steve has helped the students design, build and launch their very own rocket launcher. As well as having lots of fun the students have been learning in the Science Curriculum. Including about Newton's laws of motion and rocketry. As well as science, the students have had to practise their creative thinking and develop their team work skills.

WANTED!

Ice-cream containers! Please give to Pam if you have any spare. Thanks.
