Issue Number: 9

Date: 29-03-2021

Principal: Michelle Brown principal@waipipi.school.nz

Our vision: Waipipi Students are successful learners, who communicate confidently, and interact positively with others.

Mrs Milne has resigned from her teaching/Deputy Principal position at Waipipi to pursue other interests. Mrs Milne finishes at the end of this term. If you'd like to come and have a chat and wish her well you will need to do so before the term ends.

We have valued Mrs Milne's contribution to our school and the teaching and learning of our students. She will be greatly missed at Waipipi and we wish her all the best.

Currently, we are advertising for another Year 7-8 teacher. We are looking for a teacher that is experienced with teaching students of this age group and has the skills that our students need to become successful learners, confident communicators and be able to interact positively with others. If you know of any amazing teachers, please tell them to check the NZ Education Gazette for specific job information.

Next term, Mrs Brown will teach the Room 4 class for most of the week. (In Room 4) Mrs Manins will continue to provide teacher release 1-2 times a week.

Waipipi School is undergoing a computer network upgrade on Wednesday 7th and Thursday 8th April (straight after the Easter break)

Please do not email Pam on these two days. Please contact her by phone.

Parent Interviews are this Wednesday afternoon/evening. If you have not made, or received your appointment time, please chat to Pam.

As per Covid-19 health and safety- if you are not well, please contact Pam to make an alternative meeting time for when you are feeling better.

Next term, our school has a science focus. Students will be looking at Planet, Earth and Beyond. This year the major focus in this science strand is around space and astronomy.

Next term, our students will also be writing and practicing their speeches. The speech competition will be held at the end of Term 2.

Next term we start to collect achievement information from the students and school reports will come home at the end of the term.

Last week, these students were given a certificate for the Key competency "Relating to Others"
